The menus include an AM snack, weekly pizza options plus an additional meal item that I've sourced from a variety of local commercial food establishments. There are also drinks and some side dish options available on each menu. All lunch volunteers will have to adhere to strict health and safety practices during each of their shifts to ensure the wellness of all.

If you log onto to Munch A Lunch and ordering is closed, please check back, I plan to have it opened up by the evening of, Sept. 17th.

Many thanks to the Queen of All Saints School community for supporting this valuable program and to our wonderful volunteers who help make this program a success!
