

OnVolunteers

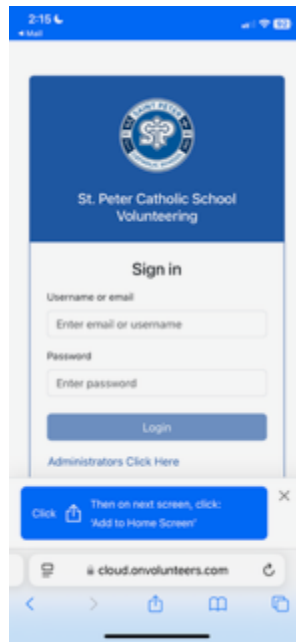

The OnVolunteers mobile app is now available. Stay up to date on available volunteer opportunities and track your family's volunteer hours using your smartphone. Follow the simple steps below to install the app on your iPhone or Android device.

On iPhone, go to the portal login page...

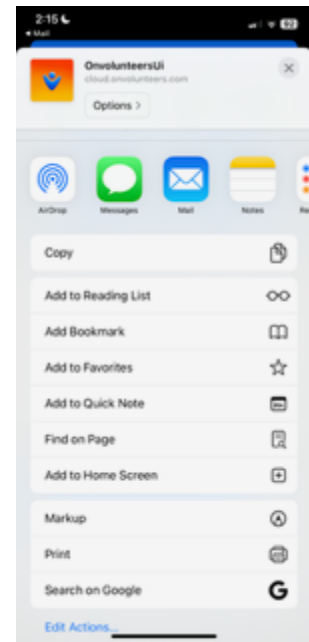

1. Click 'Add to Home Screen'

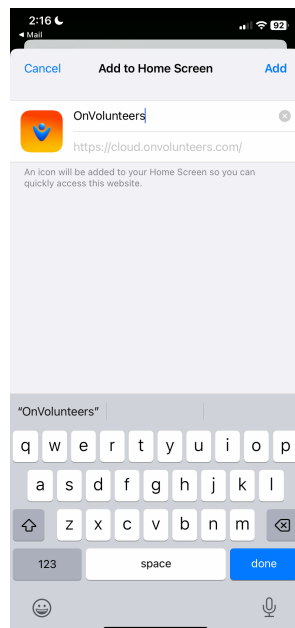

2. Click Up arrow on Toolbar

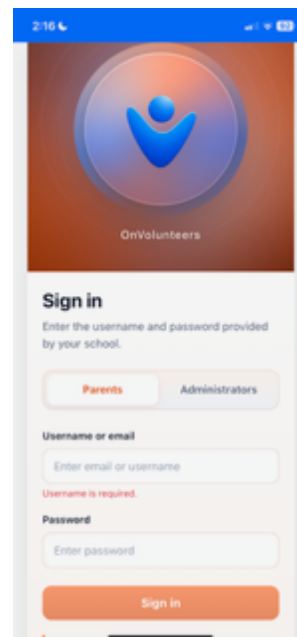

3. Scroll down to 'Add to Home Screen'

4. Click 'Add' on upper right

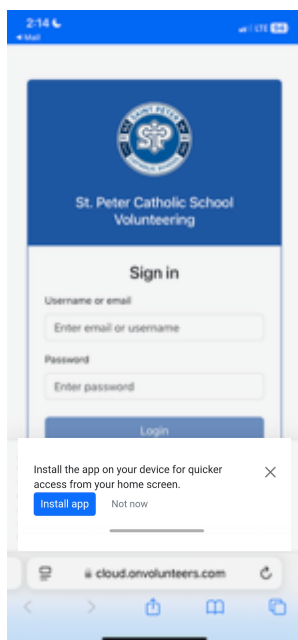

5. On your phone's main screen, open app and log in

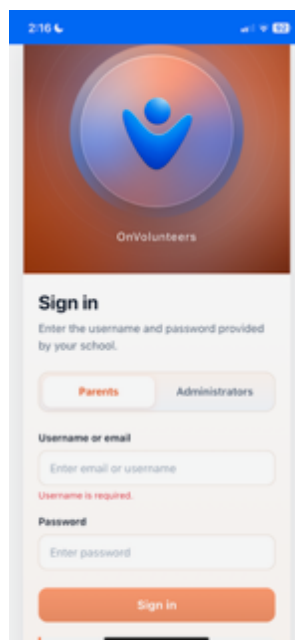

On Android device....

1. Click 'Install app'

2. On your phone's main screen, open app and log In

NOTE: If you accidentally un-install the app and want to re-install, clear your phone's cache and go to the Parent Portal login page. You will once again see the Install notice.
